This 4-in-1 garden multitool is equipped with a 42.77cc engine and in no time, it can be converted into a hedge trimmer, grass trimmer, brush cutter or chainsaw. This one device allows you to tackle a wide array of projects in your garden, depending on which attachment you choose. Your safety and comfort were also taken into account with the safety guard and harness.

Hedge trimmer

Ideal for cutting smaller hedges. This hedge trimmer is fitted with a 430 mm double action blade. You can cut branches of up to 23 mm in diameter with precision.

Grass trimmer

Finish the edges of your grass or mow in places your lawnmower can't reach with the grass trimmer. This attachment has a 430 mm cutting width and a spool thread length of 4 m.

Brush cutter

Use the brush cutter for coarser work. With a cutting width of 255 mm, you can easily tame tough grass and hedges.

Chainsaw

Work smoothly, safely and comfortably with the chainsaw attachment. The chain is automatically oiled for easy use. Kickback and vibrations have been reduced to a minimum and both the bar and chain are of premium quality.

This versatile tool also comes with a spark plug wrench, screwdriver, empty mixing bottle, hex key, and chain.
