

OUTSTANDING COMFORTABLE FIT

The soft AlpineThermoShape material forms itself to the shape of the ear canal using body heat, providing a perfect fit and excellent comfort. Silicone free and hypoallergenic.

PERFECT NOISE REDUCTION

The unique acoustic filters attenuate the sound of snoring and ambient noise without feeling isolated.

AWARD WINNING DESIGN

Designed by Alpine, made in The Netherlands. CE-certified, Red Dot Award winner. Reusable (100x) and easy to clean.

FLEXIBLE REMOVAL AID

Easily removable thanks to the flexible Minigrip. Very comfortable for side sleepers.
